

ISLE OF WIGHT 2009

FINALLY!!! We're off to the Isle of Wight!!! After weeks and weeks of waiting, on the 30th March 2009 we set off for a week of excitement to the Isle of Wight. On the way to Portsmouth we passed Stonehenge and some tanks. When we arrived we boarded HMS Warrior and had a guided tour around the ship. After a very interesting look round the Warrior we boarded the ferry to Fishbourne (Isle of Wight).

On the arrival at the Channel View Hotel we were shown to our rooms and unpacked before tea. Every meal was DELICIOUS!!! Each day we went to two or three places.

One of our favourites was Black gang Chine. First we went down the Water Shoots. We got Mr.MacRae, Mrs Green and Mrs Biffen down them. But we didn't get any teachers on the roller coaster called Cliff Hanger, I wonder why?

Another of our favourite evenings, and probably everyones was... TALENT NIGHT!!! James, George, Luke, Jack, Connor and Keir did Strictly come Dancing! Unfortunately we didn't come in the top four, even though we thought we did really well. The winner was Ellessey, Phoebe and Cerys with a song from a film. Also a really good performance was given by Sam, William and Jack Dosson who did Sky Sports News which apparently they had only made up in their room before they came down. However, the highlight of the night was Mr.MacRae who danced to his funny alarm clock. It was rather strange but we couldn't stop laughing.

Overall our holiday in the Isle of Wight was BRILLIANT!!!! The staff at the hotel was very kind and friendly. We had so much fun we didn't think of our parents at all! The best thing was ...yes you guessed it, Mr.MacRae dancing to his alarm clock!
