

## **Our trip to the Isle of Wight 2009**

*We had waited and waited for ages and finally the day had come. After days of careful preparation and packing we were off to the heavenly Isle of Wight, no more parents, no more school ALLEUIA!!!*

*We hope you enjoy hearing what we did.*

*Year 5 and 6 went on a trip to the Isle of Wight from the 30<sup>th</sup> March to the 3<sup>rd</sup> April. The ferry ride was really scary, especially being on deck and looking down at the choppy water, it felt like you were flying because it was really smooth.*

*The hotel was three star, Isabelle Woods was in a small but cosy room with Mabel Matthews and the food there was delicious. We got a three course breakfast and a three course dinner.*

*The entertainment at the hotel was really amusing, especially Mr. McRae doing his "famous" snail dance! Party night was FABULOUS!. Sam and Keir were up dancing all night.*

*The day time attractions were amazing especially Blackgang Chine with the brilliant Cliff Hanger rollercoaster. William Bennett got stuck in the ridiculously easy maze. Dinosaur Isle was really good as well because we got to go on a fossil hunt on the beach and Ellessey found lots of crocodile bones.*

*The steam railway was really funny. By the end every one was in hysterics. There were four carriages; in the front carriage they played a weird game with Mr. McRae. The next carriage was Mrs. Green who played the missing object with Mabel's stones and pebbles. Mrs. Biffen's carriage did a fashion show.*

*The last day came and nearly everyone didn't want to go back home but at least we went to Amazon world which was the highlight of that day. We saw loads of cute animals and bought some things at the store. Finally we were back at school and saw our parents. We all looked back on the amazing time we had had at the Isle of Wight.*
