

Isle of Wight 2009

Smiles and tears filled the air. Suitcases with the clothes our parents wanted us to take were placed into the coach. The journey is about to begin.....

Year 5 and 6 were going on an exciting trip to the Isle of Wight on Monday the 30th March - 3rd April. In just 5 days we had enough FUN to last us a lifetime!

We had to say goodbye to our parents, only because we wouldn't see them for 5 days ☹️! It was very hard to do it but it was all over so quickly that it only felt like 1 day!

Whilst we were on the Isle of Wight we went on: roller coasters, water slides, fossil hunts and back in time with Dinosaur Isle.

The Channel View Hotel was roomy and comfortable.

It had plenty of rooms and a fantastic chef. We didn't spend much time in the hotel but it was still a nice place to stay. Dinosaur Isle was fun and just like 10,000 BC. The models looked really realistic. We had an amazingly great quiz with prehistoric questions. Next they had a fun fossil hunt where George found a 2.8 million year old fossil.

The wax museum was fantastic with its model people made out of wax. One model of Queen Victoria you could see her breathing as well as tapping her foot.

The talent show was a night to remember with Mr. MacRae performing a remarkable dance. It was so funny you could explode with laughter. His performance was spectacular! In first place with their brilliant dance.....

Ellessey, Phoebe and Cerys

On the steam rail way Connor went in Mrs. Green's carriage where we played games like:

•Which stone is missing?

•**Magic games**

•**Scissors**

As soon as we left we wish we could have stay there or at least come again. We have had the privilege to be able to go and we would like to say thank you to Mrs. Pike for arranging it and for the parents for paying!
