Dear Parents,

Today at school we have revisited our school vision and values. The school’s Christian foundation and vision is at the heart of school life. Christian Values are built in to all we do and the life and teachings of Jesus are intrinsic to our school and the people within it.

Our vision, going back over 200 years, establishes us as a school that teaches children to strive to achieve their best, help and support others, and live out the teachings of Jesus every day. The values of **service, friendship, forgiveness, thankfulness, endurance** and **hope** impact on our daily interactions with one another and the wider community, making our school a positive learning environment where all are welcome. This helps us to empower our children to achieve their ambitions.

Many visitors have stated how much they love coming to Enmore which is a testament to the values that underpin all we do.

Your child should be bringing home a piece of work today that you may wish to discuss with them.

Yours sincerely

Duncan MacRae
