Employee Salary Information (earning more than 100k per annum)

Schools must publish annually on their website the number of employees whose benefits exceed £100k per year for the previous financial year. Benefits include salary, employers' pension contributions, other taxable benefits and any termination payments.

As an academy, Enmore School has the freedom to set its own pay scales, however it has always operated under a guiding principle that pay will be in line with national pay scales for teachers. Teacher, support staff and leadership pay is reviewed annually by the Governing Body.
